LEGAL INTELLIGENCE.
IN DEPTH.

Introducing the Primary Law Collection –

a truly integrated collection of authoritative legal resources that enables you to quickly, easily and intuitively find the information and guidance you need.

The Primary Law Collection Offers:

Current Awareness: the inclusion of Legal Updater provides a superior current awareness offering. The ability to granularly filter content by practice area ensures practitioners only get the content updates that are directly relevant to them.

Journals: provides access to 50 journals, including exclusive titles such as The New Law Journal and The Law Society Gazette.

Legislation: major Statutes are consistently online quicker on LexisLibrary than our nearest competitor. In addition legislation on LexisLibrary includes annotations from exclusive LexisNexis sources, Halsbury's Statutes and Halsbury's Is It In Force

Additional premium resources: add additional exclusive LexisNexis content on top of the Primary Law Collection such as Encyclopaedia of Forms and Precedents and Halsbury's which our competitors have no comparison to and which seamlessly integrate with the Primary Law Collection

Case Law: contains more case coverage than our nearest competitor, including the All England Law Reports, specialist reporting series and unreported transcripts. Also included in this menu is the new Judgment source which includes every official judgment and transcript that LexisNexis receives from the courts. Judgements are made available within just 30mins of LexisNexis receiving them.
