Deloitte iGAAP 2011 IFRS reporting in the UK Guidance on the standards as they apply in the UK

This comprehensive handbook identifies the requirements of the law, regulations and accounting standards for UK and AIM listed companies. It shows you how the best accountancy treatment is applied with practical worked examples; deals with highly technical questions in an easy-to-follow style; highlights requirements of IFRSs and how they differ from UK GAAP.

Take advantage of Deloitte's experience of early application and find out how new standards will impact on you and your clients. A clear distinction is made between standards that are not yet mandatory or are yet to be endorsed with those that are.

Find out how to deal with:

- IFRS 9 *Financial Instruments*
- Amendment to IFRS 1 *Limited Exemption from Comparative IFRS 7 Disclosures for First-time Adopters*
- IFRS for SMEs, identifying key differences with full IFRSs
- New UK Corporate Governance Code
- Revised Statement of Recommended Practice *Accounting by Limited Liability Partnerships*
- New directors' remuneration disclosures under the AIM Rules
- TECH 03/09 *Proposed additional guidance on the determination of realised profits and losses in the context of distributions under the Companies Act 2006*

Deloitte iGAAP 2011 Financial statements for UK listed groups Practical examples for companies following IFRS, UK company legislation and FSA listing rules

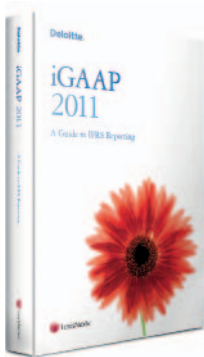

This essential handbook offers guidance on the presentation and disclosure requirements for financial statements for UK listed groups.

Beginning with a comprehensive explanation of the UK regulatory framework that forms the foundation of financial reporting, this guide goes on to provide practical model statements. These in turn are complemented by a full and detailed commentary highlighting the various disclosure requirements on the facing page.

Further guidance and support is provided through clear cross-references to the requirements of: IFRS, The Reporting Statement on OFRs, Company Law, Listing Rules, Disclosure and Transparency Rules.

Ensure your statements follow the new guidelines for:

- IFRS 9 *Financial Instruments*
- Standards and legislation which apply from 2010
